

**Relay for Life  
Candle Lighting Luminary Form  
May 14, 2004**

As part of the Relay for Life, at dusk candles will be lit in honor of someone who survived cancer or in memory of someone who did not survive. The luminary ceremony pays great tribute to our friends and loved ones who have battled cancer. As participants walk or run through the night, the luminaries remind and inspire us that the fight against cancer is about real people in our community. Luminaries are \$10.00 each.

Please make all checks out to the American Cancer Society and return to the Physical Plant Department at Washington and Lee University, Lexington, Virginia 24450. If you would like to make a donation not in memory or in honor of someone please mail to the Physical Plant Department at the above address.

Your contribution will make a difference and will save lives. Thank You!
